To Whom it might concern

I can confirm we used the services of Jessie Qiu as a Taiwanese Interpreter during a 5 -day period for a technical service training course earlier this year.

The Training was a conducted at our premises with four visiting engineers' the course was very much technical biased.

We would not hesitate in using Jessie again, when the need arises.

For and behalf of Oxford Lasers

A handwritten signature in black ink, appearing to read 'Robert Dean', written over a horizontal line.
